

SunSpin.us is an online sweepstakes gaming platform with over **29,000 users** enjoying a diverse selection of games across desktop, tablet, and mobile devices. The platform uses a dual currency model—Gold Coins and Sweepstakes Coins—allowing players to play for fun or for the chance to win prizes.

WHERE WINNING IS THE **GOLDEN STANDARD**

WHY SUNSPIN.US?

SunSpin.us delivers a comprehensive gaming platform with a diverse game portfolio, secure payment systems, and accessibility across devices. With its very successful launch and marketing, the platform continues to expand its appeal while prioritizing reliability and player satisfaction. Frequent updates keep the content offerings best-in class.

GAME HIGHLIGHTS

EXTENSIVE GAME LIBRARY

The platform offers over **600 games** across various categories, including:

- **Slots:** Traditional and modern slot games with a range of themes and features.
- **Hold & Win:** Games featuring bonus mechanics designed to keep players engaged.
- **Table Games:** Popular options such as blackjack, roulette, and more.
- **Instant Win Games:** Fast-paced games offering quick outcomes.
- **Scratch Cards:** Easy-to-play games appealing to a wide audience.
- **Crash Games:** Thrilling high-risk, high-reward games for adventurous players.

GAME CONTENT PARTNERS

SunSpin.us has secured 14 game supplier contracts with top studios in the industry, ensuring access to a wide range of high-quality content.

OPERATIONS

TECHNOLOGY
