WHO ARE WE?

GameStage is a pioneering peer-to-peer (P2P) and social gaming platform built to transform fan engagement through innovative contests, gamified experiences, and real-time interaction. Designed for mobile-first venues and digital destinations, our turnkey solution delivers regulatory-friendly, high-frequency betting experiences without the overhead of traditional sportsbooks. Sparket empowers venues and operators to engage fans responsibly, drive revenue through social play, and activate multiple monetization channels with minimal operational lift.

SPARKET'S ROLE

Sparket provides the core P2P contest infrastructure for real-money, social, and affiliate-friendly engagement. Our plug-and-play gamification layer integrates seamlessly with venue ecosystems, apps, and media environments, unlocking a dynamic and compliant alternative to the sportsbook model. GameStage powers immersive experiences that deepen retention, enhance F&B spend, and unlock long-term player loyalty.

CORE CAPABILITIES

P2P Contest Engine – A legally sound alternative to traditional sports betting with dynamic odds, structured challenges, and user-set outcomes.

Multi-Revenue Channel Platform – Monetizes through real-money gameplay, affiliate tracking, social gaming, F&B lift, and sponsorship activations.

Mobile-First Design – Built for on-site engagement, QR-based signup, live contest participation, and scalable community gamification.

White-Label & API Options – Flexible deployment across physical venues, third-party platforms, or integrated into loyalty apps and team fan zones.

Risk Management Platform:

Gain from a top-tier operational risk management system safeguarding your sportsbook against financial losses and reputation damage. With features like thorough player profiling and identifying suspicious betting behaviors.
